

Thank you for purchasing your new German Shepherd puppy from Von Rief German Shepherds. We hope that you will enjoy your new puppy for years to come. We have taken special care to ensure that your new puppy is healthy. Your puppy has been selectively bred for excellent quality, health, soundness, intelligence and good temperament.

We have included signed guarantee from Von Rief German Shepherds in your package. We have also included a guarantee for you to read, initial sign and return.

Once you have signed and initialed the guarantee, please include your contact information on the last page of the guarantee and email or fax it back to us.

Note: When receiving your puppy in the crate, please open the crate door and step away from the crate (three to four feet away). Let your puppy come out of the crate on his/her own without pulling the puppy out of the crate yourself (be patient as your puppy will come out of the crate). Do not pull the puppy out of the crate as this may frighten him.

This agreement is non-transferrable and applies only to the original buyer of the puppy.
